

Brand name: Simon's Table <email address: simon@simonstable.co.uk>

How are you considering a diverse workplace?: When we do start employing people, having suffered from depression with difficulties at work, we would like to help people who might be struggling to get a leg up on to the work ladder and feel good about themselves

What is your brand USP: Disparate & different, quality foods from a husband & wife team.

What are your product/s: Unusual marmalade, Marmalade Gin Liqueur, melt in the mouth shortbread

Ethically Sourced?: Yes

Manufacturer has any independent certificates: Yes

If yes, what are they: Our ingredients, packaging and equipment are bought locally and are British whenever possible from people and companies we know who trade in an ethical fashion. We are currently in discussion with an organic Seville Orange and Lemon grower in Spain to supply us with their produce.

category: Packaged & Speciality (i.e. cereals, canned foods, crackers, dried world foods)

Willing to work with Retailers 'exclusively' if a permanent listing is achieved: No
